

Verified Voting Sweeps the States!

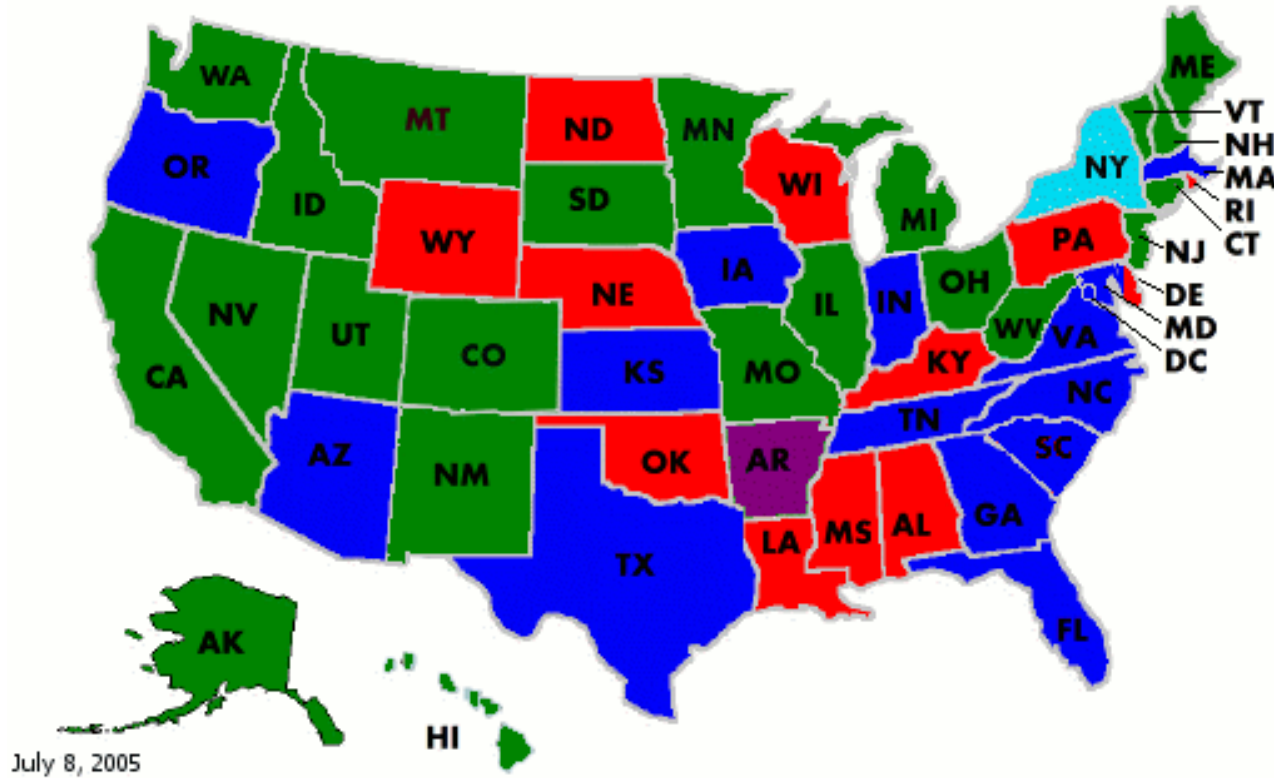

VerifiedVoting.org, our partners, and voters across the country have successfully persuaded state governments to pass or propose legislation / regulations to require voter-verified paper ballots. Help us complete the **legislative landslide** toward reliable, secure, and transparent elections!

Please visit our **action center** (<http://www.verifiedvoting.org/alerts>) to turn the whole country **green** with voter-verified paper ballots. Click on the map to see our **legislation tracking** (<http://www.verifiedvoting.org/article.php?list=type&type=13>) web page.
